

## Control devices

Electrical and manual controls, thermostat, temperature limiters, thermally operated controls, sensing controls

CB, MEEI, ENEC, TÜV Bauart Certificate

*Safety testing according to IEC/EN 60669, 60730 and other series standards as applicable.*

Product	Description	Standard	Certificates
<b>Protecting devices and controllers</b>	Thermostats, temperature and pressure limiters or controls, timers, level switches	IEC/EN 60730-1:2000	Test report, CoC, CB, ENEC, CCA

Product	Description	Standard	Certificates
<b>Switches</b>	Switches for installation, flush or surface type	IEC/EN 60669-1:1999	Test report, CoC, CB, CCA
	Electronic switches for installation, flush or surface type	IEC/EN 60669-2-1:2004
