

Certificate of Inspection (Col) Scheme for Libya

Activate your business with our smooth and reliable Col Services

The Central Bank of Libya issued Resolution N° 96 on April 30th, 2015, establishing the requirement of a “Certificate of Inspection” for all goods imported into Libya. Therefore, all exporters need an inspection certificate before exporting to Libya as per legal requirements, for example, in accordance with “Letters of Credit”.

TÜV Rheinland provides the required inspection certificates. Partnering with us means short lead times and benefiting from our established working relations with local partners.
