

Food & Cosmetics Products Certification according to the Saudi SFDA Program

In October 2021, the Saudi Food & Drug Authority (SFDA) has initiated a new platform for food and cosmetics shipments 'Certificates of Conformity', named 'FASEH' platform. Saudi importers with a FASEH-account must both register shipments and request for the 'Certificates of Conformity' on 'FASEH'.

TÜV Rheinland is an SFDA-approved certification body, authorized to issue the required 'Certificate of Conformity' by 'FASEH' platform. We are ready to support and guide you on the route to compliance with the new platform requirements – enabling you to have a smooth access of your products to the Saudi Arabian market.
